DECLARATION OF KEVIN D. WILLS UNDER 37 C.F.R. § 1.47

I, Kevin D. Wills, hereby state as follows:

1. I am a Patent Attorney in the Law Department at Motorola, Inc. ("Motorola"), in Phoenix, Arizona. My responsibilities include working with Motorola employees and non-Motorola employees to prepare and prosecute patent applications for Motorola.
2. On September 4, 2003, I contacted (by phone) both Richard Dykiel and Richard Lagueux, both of whom currently work for Sun Microsystems, Inc. I informed them that they were inventors on the above patent application. I inquired if they would review the claims, specification and drawings, and sign a Declaration and Assignment pertaining to the above patent application. Both Richard Dykiel and Richard Lagueux clearly understood exactly what they were being asked to review and sign. Both Richard Dykiel and Richard Lagueux said they would have to consult with their in-house counsel first.
3. On September 9, 2003, I was contacted by phone by Bernice Chen, Assistant General Counsel for Sun Microsystems, Inc. Bernice Chen indicated that both Richard Dykiel and Richard Lagueux would not be cooperating in pursuing the above patent application, both Richard Dykiel and Richard Lagueux would not be signing the Declaration and Assignment pertaining to the above patent application, and NOT to send copies of the claims, specification and drawings, or the Declaration and Assignment to Richard Dykiel, Richard Lagueux or herself. Bernice Chen also indicated

I was to have no further contact with Richard Dykiel or Richard Lagueux regarding this patent application.

4. On September 10, 2003, I received an express written refusal (by email) from both Richard Dykiel and Richard Lagueux to cooperate in pursuing the above patent application, which includes a refusal to receive copies of the claims, specification and drawings, and a refusal to sign the Declaration and Assignment. The emails are attached.
5. On September 17, 2003, I received an email from Bernice Chen giving me the current addresses of both Richard Dykiel and Richard Lagueux, and implicitly confirming my acknowledgment of her request to have no further contact with Richard Dykiel and Richard Lagueux. The email is attached.
6. Enclosed please find copies of the emails indicating my attempts to gain the cooperation of Richard Dykiel and Richard Lagueux in the pursuit of the above patent application.

I declare under penalty of perjury that the statements made by me in this Declaration are true and correct.

Respectfully submitted,

KEVIN D. WILLS

Sigh. I've been railroaded too. I've been told in no uncertain terms that I am not allowed to assist Motorola in this effort. So please also do not send me any of the materials.

Sorry.

Rick

It was nice chatting with you yesterday. The only thing I will need to follow through with what we discussed are the full names, home addresses and citizenship of both Richard Dykiel and Richard Lagueux. I wanted to get this information through you and respect your wishes that I have no further contact with these two individuals. Thanks for your help.
